

# Embrace the AI-powered future of work

Work with ATS Tech Solutions to elevate productivity and creativity with Copilot for Microsoft 365

## The pace of work is outpacing our ability to keep up

Source: [2023 Work Trend Index Annual Report: Will AI Fix Work?](#) | Microsoft, May 2023.

## Generative AI represents an enormous opportunity

### Reduce busywork

Radically rethink your workday. Delegate tasks to AI and protect focus time for the creative work that leads to innovation. Produce high-quality work in half the time.

### End information overload

Quit mentally absorbing unnecessary information. Get answers instantly, identify only the important information, and restructure your day for success.

### Work smarter, not harder

Quit spending so much time in your inbox. And make meetings more efficient with AI-powered intelligent meeting recaps, transcripts, and recordings.

## Introducing Copilot for Microsoft 365: A whole new way to work

# Copilot

### Copilot for Microsoft 365 will help lighten the load

#### Built on Microsoft's comprehensive approach

Security

Compliance

Responsible AI

Privacy

#### Embedded across Microsoft 365 apps

Teams

Outlook

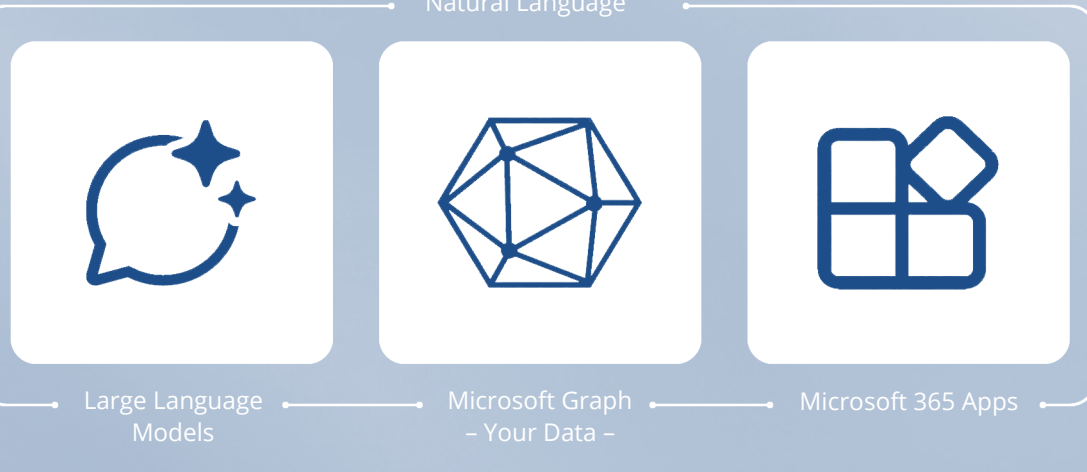

Word

Excel

PowerPoint

### Turn words into a powerful productivity tool

#### Natural Language

Large Language Models

Microsoft Graph - Your Data -

Microsoft 365 Apps

## Embed AI-powered Copilot into the apps you use every day

### Amplify creativity

Be more creative in Word, bring ideas to life in PowerPoint, analyze trends in Excel, lighten the load in Outlook, summarize conversations in Teams, and more.

### Unlock productivity

Unlock data and knowledge across your organization. Combine Large Language Models with your data and turn your words into the most powerful productivity tool on the planet.

### Trust in responsible AI

Count on Microsoft's comprehensive approach to security, compliance, privacy, identity, and responsible AI. Configure access and governance policies to keep data protected.

## Accelerate innovation with Copilot for Microsoft 365 today!

### As a Microsoft Partner, we can ...

- 
**Assess**  
 Allow our experts to evaluate your AI-readiness and uncover opportunities for seamless integration of Microsoft 365 Copilot.
- 
**Analyze**  
 Collaborate with us to define your unique business goals and challenges that Microsoft 365 Copilot can address.
- 
**Evaluate**  
 We'll assess your technical capabilities and identify any gaps to ensure seamless integration.
- 
**Plan**  
 Together, we'll develop a customized implementation plan, including timelines and resource allocation, to maximize the impact of Microsoft 365 Copilot.
- 
**Pilot**  
 Experience the power of Microsoft 365 Copilot firsthand, in a controlled environment, validating its effectiveness for your business.
- 
**Train and access support**  
 Benefit from our comprehensive training and support to empower your team for success.
- 
**Transform**  
 Unlock the full potential of Microsoft 365 Copilot and revolutionize your business operations.
